Vikramaditya Global School is completely Non Profit School for rural children. The aim of VGS is to provide world class quality education to students with mission for their all round developments. The VGS provides all the best facilities in school campus like English spoken classes, Abacus and Vedic Maths, Robotic lab, extra tuition classes, Computer classes and also provides coaching classes in Mathematics, Science, Reasoning, General Knowledge, current affairs etc. with the help of subject experts. The VGS provides all sports and sports facilities through NIS or International Coaches. The aim of the Management, Teachers and other Staff is to prepare our rural children and always help them to make their careers only. Our aim is to prepare the students officers and to make them worthy citizens of our mother land - Bharat.
